Issued pursuant to the Hospital Service Accountability Agreement

Re: April 1, 2017 – March 31, 2018 (the "Applicable Period")

The Board has authorized me, by resolution dated June 7, 2018, to declare and attest to you as follows:

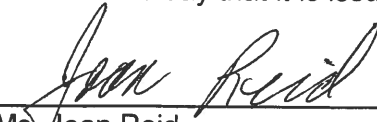

After making inquiries of the HSP's Chief Executive Officer and other appropriate officers of the HSP and subject to any exceptions identified on Appendix 1 to this Declaration of Compliance, to the best of the Board's knowledge and belief, the HSP has fulfilled its obligations under the Hospital Service Accountability Agreement (the "Agreement") in effect during the Applicable Period.

Without limiting the generality of the foregoing, the Board confirms that:

- (i) the HSP has complied with the provisions of the *Local Health System Integration Act, 2006* and the *Broader Public Sector Accountability Act (the "BPSAA")* that apply to the HSP;
- (ii) the HSP has complied with its obligations in respect of CritiCall that are set out in the Agreement;
- (iii) every Report submitted by the HSP is complete, accurate in all respects and in full compliance with the terms of the Agreement; and
- (iv) the representations, warranties and covenants made by the Board on behalf of the HSP in the Agreement remain in full force and effect.

Unless otherwise defined in this declaration, capitalized terms have the same meaning as set out in the Agreement.

This Declaration of Compliance, together with its Appendix, will be posted on the HSP's website on the same day that it is issued to the LHIN.

Appendix 1 - Exceptions

Please identify each obligation under the H-SAA that the HSP did not meet during the Applicable Period, together with an explanation as to why the obligation was not met and an estimated date by which the HSP expects to be in compliance.

<p>I. Balanced Budget</p>	<p>The Hospital received additional base funding in the amount of \$1.4 million for 2017/18 and was directed by the LHIN to engage in an independent third party review and to develop strategies to remain in a balanced position within allocated resources.</p>	<p>Not Compliant</p> <p>The Hospital had a deficit of \$960,769 in 2017/18 and is not compliant with the H-SAA targets. It is anticipated that the change in the funding formula to a small hospital funding methodology will allow the Hospital to be compliant with this target going forward. The release of the Operational Review is anticipated in the near future. The recommendations that are in the report are expected to assist the Hospital with issues that have arisen concerning funding as well as other operational challenges that have been encountered in the past.</p>
