

FOR IMMEDIATE RELEASE

Lake of the Woods District Hospital outbreak over Mandatory masking remains in place throughout all patient care areas

Kenora, ON, February 25, 2025 – In consultation with the Northwestern Health Unit, the COVID-19 outbreak at Lake of the Woods District Hospital (LWDH) experienced on the MedSurg 3E/ICU unit has been declared over.

Visiting to this unit now resumes as normal (11 AM – 7 PM daily, two visitors at one time). Please do not visit your loved one if you are feeling unwell.

In effort to protect patients and staff and reduce the spread of respiratory illnesses, masking will remain mandatory in all patient care areas until the respiratory season trends downward.

Together we can reduce the spread - wash your hands, stay home when you're sick and make sure your vaccinations are up to date.
