

Mission

**Lake of the Woods District Hospital exists so that:
The people we serve receive optimal health care for a justifiable use of public resources.**

Board Ends

- People with illness or injury achieve optimum outcomes.
- Those we serve have information to make positive lifestyle choices.
- People have access to an integrated health care system.

Vision

- State of the art new facility.
- Effective E-Health system.
- Appropriate sufficient workforce.
- Well governed sustainable funding.
- Healthy lifestyle choices.
- Timely access to primary health care.
- Seamless continuum of collaborative services.
- Visible health care system inspiring confidence.

Values

- Publicly Funded - Publicly funded system.
- Sustainable - Sustainability with resources and people for the future.
- Accountable - Accountability to the public.
- Inclusive Care - A level of care that is inclusive.
- Shared Support - Health care is a shared responsibility of the individual, community and government.
- Personal Responsibility - People are responsible for their own health.
- Continuous quality improvement and innovation.

“Quality Care from a Quality Team ... Looking Well into the Future”

Ayendiwin

Waazhaskonigamiing Aakoziwigamig ayaa omaa: Ji-wiiji’angidwaa awiyawag weweni ji-nanaandawe’indwaa

Wijitwaawin

- Gaa-aakoziwaad,gaa-wiisagishinowaad ji-wiiji’indwaa
- Gaa-wiiji’angidwaa weweni ji-mino-ayaawaad
